

Dear FCC Commissioners & Staff:

My name is Todd Schleuning. I wanted to send an email to let you know how much I value getting Internet access from an independent Internet service provider and how important it is to have the choice to purchase broadband DSL from an independent ISP as well. It is extremely important to me that I have a choice other than the larger internet service providers, and that choice is the independent ISP's. Thank you for your consideration and action.

Sincerely,

todd schleuning
